

# Bridge Over Troubled Water

Words & Music by Paul Simon

This is the title track of the UK's best-selling album of the 1970s. Later on, when Paul Simon heard the appreciative applause Art Garfunkel received as lead singer, he remarked bitterly "...that's my song, man, thank you very much. I wrote that song!"

**Hints & Tips:** Although quite easy to play, this piece should have a dynamic climax in bars 20–21. Try to feel the whole piece building to that point and fading away after it.

 eyes, I will dry them all; I'm on your side, when times get  
 rough, and friends just can't be found, Like a bridge o - ver  
 troub - led wat - er, I will lay me down. Like a bridge o - ver
