

Allegro

G. P. Telemann (1681-1767)

from *Fantasia No.11 for solo violin (1735)*

arr. A. Stephens

Allegro ♩ = 78-84**SAMPLE PAGE**

This is a fairly straight forward little piece. Watch out for the phrasing and stroking in bars 7 and 9. Aim for a controlled and rhythmic feel. This piece doesn't need to go very fast but needs to have lots of energy and bounce.
