The songs in Hal Leonard's **Essential Elements® Guitar Ensemble Series** are playable by multiple guitars. Each arrangement features the melody (lead), a harmony part, and a bass line. Chord symbols are also provided if you wish to add a rhythm part. For groups with more than three or four guitars, the parts may be doubled. All of the songs are printed on two facing pages; no page turns are required. This series is perfect for classroom guitar ensembles or other group guitar settings.
