The **Bass Play-Along Series** will help you play your favorite songs quickly and easily. Just follow the tab, listen to the audio to hear how the bass should sound, and then play along using the separate backing tracks. The charts feature authentic transcriptions based on the original recordings! The melody and lyrics are included in the book in case you want to sing, or to simply help you follow along.

The price of this book includes access to audio tracks online, for download or streaming, using the unique code inside.

Now including **PLAYBACK+**, a multi-functional audio player that allows you to slow down audio without changing pitch, set loop points, change keys, and pan left or right — available exclusively from Hal Leonard.
